Captain Peabody would like to be a member of his ship's "Green Team", but he needs your help to show him how he can be more environmentally friendly.

- At station one, you will be showing Captain Peabody how to use "Earth Friendly" materials for mailing packages.
- At station two, you will be teaching Captain Peabody how to make a "greener" cleaner.
- At station three, you will be talking to Captain Peabody about the 3 R's (reduce, reuse, recycle) and showing him how to recycle different kinds of material.
- At station four, you will be demonstrating to Captain Peabody how to clean up an oil spill.
- At station five, you will be helping Captain Peabody become a water wise gardener.
- At station six, you will be looking at crystals and learning about diamond mining.
