

Dingeman Family Faculty Connection Pledge Drive 2018 Support Our Tigers!

Welcome to the 2018-2019 school year! We need your help to make it a great year!

What makes Dingeman the best school?

It's the parents and the faculty first, but it's also our time and donations that give our kids the best education and elementary experience that we can. And now it is more important more than ever, with federal and state cuts to education, to keep every dollar earned going back into our children's classrooms.

Why a pledge drive? This way we can ask for a one-time donation without the hassle of sale-based fundraising that puts the pressure on your child to sell.

What can we do?

The FFC spends an average \$200,000 per year on student safety and health office support, and enrichment programs such STEAM, Art Corps, and cardio club. The good news is that every dollar donated and earned goes directly back to our children and their education and wellbeing. We are asking each family to consider donating so that we can continue to provide the exceptional programs our children have some to love, which include but are not limited to:

- STEAM (Science, Technology, Engineering, Arts, and Mathematics) support
- Art Corps Program
- Assemblies
- Social and family activities
- Instructional materials
- Classroom grants for Supplies
- Cardio Club
- Health Office Supplies
- PE and Playground Equipment
