

DINGEMAN ELEMENTARY

PARENT VOLUNTEER INFORMATION

WHY VOLUNTEER?

- ▶ **Bonding:** volunteering helps create shared experiences between you and your student
- ▶ **Importance of education:** giving your time to something that's important to your student, they are affirmed it's important to you, too
- ▶ **Behind the scenes:** you'll have a sneak peek into what your student is experiencing in the classroom, with other students, or on the playground
- ▶ **Building parent-to-parent relationships:** opportunity to meet other parents and establish new relationships

VOLUNTEERING & CHARITABLE MATCH PROGRAMS

Did you know:

Many corporations have a **Charitable Match Program** for employees who volunteer their time to recognized charities and/or non-profit organizations

The result:

Time/hours spent volunteering in the classroom or for the school can result in **Community Service Grants**, which are monetary donations paid toward the school.
